Class	Name	Reason
<b>RF</b>	<b>Scarlett M</b>	Scarlett has been working amazingly hard at home alongside mum, she has completed lots of her home learning packs and read many books on bug club. Well done Scarlett!
<b>RL</b>	<b>Jessica B</b>	Jessica has been putting lots of effort into her school work this week. In Literacy we have been focusing on characters from traditional tales and Jessica has independently drawn characters with detail and was able to say and write the initial sounds for the characters names. Well done Jessica. 
<b>RM</b>	<b>Nina G</b>	Nina has been working exceptionally hard at home over the last few weeks. We are really impressed with how many books she has read on Bug Club. Well done Nina.

Class	Name	Reason
2T	Hiab A	Hiab has amazed me with the effort he has put into completing his maths work on Google Classroom. This week we have been reminding ourselves of the different coins we can use and Hiab was able to carefully add different coins together to find the total amount of money. Well done Hiab. You are a star !

Fantastic 4

+ -  $\times$   $\div$

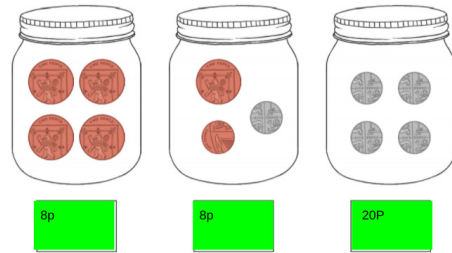

1)  $20 + 7 = 27$

2)  $19 - 4 = 15$

3)  $2 \times 5 = 10$

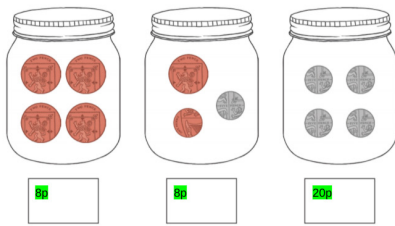

4)  $10 \div 2 = 5$

## YOU DO

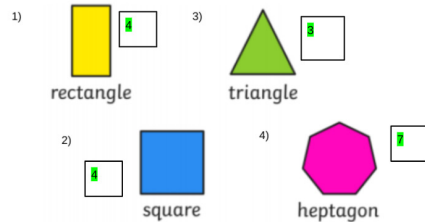

2H	Khyra C	Khyra is this week's Star of the Week because of all of the incredible work that she has completed on Google Classroom. She did a brilliant job in her maths lesson this week and really impressed us when adding coins together. Khyra was also able to recall information from last weeks lesson about shapes and vertices. Well done Khyra, we are all so proud of you!
----	---------	--

## YOU DO

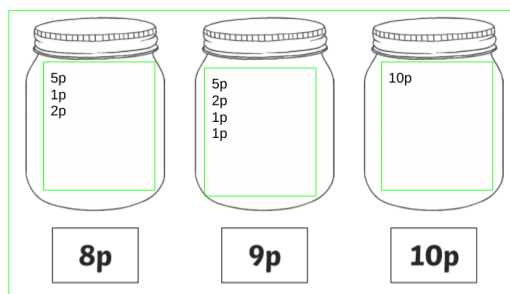

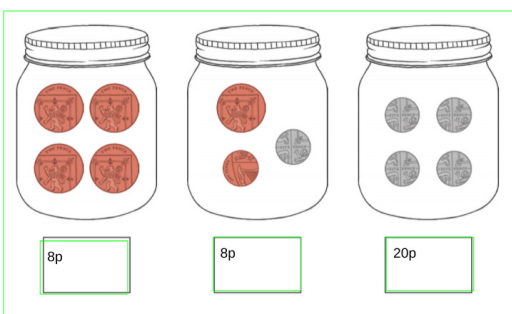

## Ready to Review

How many **vertices** do these shapes have:

2C	Isaac P	Isaac is continuing to produce fantastic work on Google Classroom every single week. He is engaged and works hard on each lesson. Miss Triance was especially impressed with Isaac's Maths work - he has demonstrated a great understanding of shape, the four operations and money. Well done Isaac keep going! We're all very proud of you.
----	---------	---

1)  $20 + 7 = 27$

2)  $19 - 4 = 15$

3)  $2 \times 5 = 10$

4)  $10 \div 2 = 5$

3P	Mohammad A	Well done Moahmmad Ali for completing his work on the google classroom this week! Your work has been outstanding and it has been a delight to see you talking to all of your friends! Keep up the amazing work!

**Let's summarise...**

Five Finger Retell  
When you retell a story...

Remember, we might not have the solution yet. Just think about as many fingers as you can!

Try summarising the main points in one or two sentences. Use the five fingers to help you!

**Summary:** I think the main points were...

That the setting was set as at a school. The characters include a bunch of children. The problem is they are panicking about how much bunnies there are. The events are they are enjoying a school day then a bit later there is a crowd of bunnies. The solution is they have to try and not panic and get the bunnies away from them.

30	Sara A	Sara.....it's finally you! Sara has been amazing since the beginning of our online Google Classroom journey! Every morning, she's online saying hello and raring to go! She works so hard and responds to her feedback daily! I am so proud of your commitment and effort, Sara!
----	--------	--

This table records the results from sports day.

	50 metre run	Ball throw	Star jumps (in 1 minute)
Ahrisha	15 seconds	14m	40
Sonia	18 seconds	23m	52
Kylie	15 seconds	21m	36
Steve	17 seconds	17m	7

run

ball throw

star jumps

- How many star jumps did Kylie complete in 1 minute? **36 stars.**
- How long did Sonia take to run 50m? **18seconds.**
- Who did 40 star jumps in 1 minute? **Ahrisha**
- Who threw their ball 17m? **Steve**

**Drag the pictures to the missing spaces.**

A shadow occurs when a hits a object. The object the light and causes an of light.

3M	Safa R	Safa has been working super hard on our Google Classroom this week and is responding to feedback left for her in order to improve her work. Keep it up, Safa, we are very proud!
----	--------	--

**Let's read...**

Read

Gavin Ross pointed to one of the bunnies and said that it was the **COOLEST** bunny he'd ever **SEEN** because it had a little black patch on one eye and it looked like a smile.

But then Susie Keys said the pure white one was **OBVIOUSLY** the best because it was making a **NEST**.

If some of the words are tricky, use the next **slide** to help you with meaning.

**Let's question...**

Question

Q: Why did Susie disagree with Gavin's opinion?

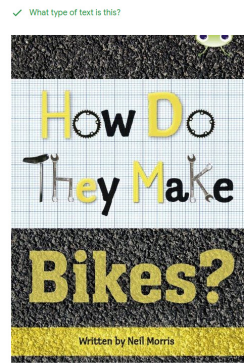

**A: Because the other bunny was making a nest so it was the best.**

4S	Tobias T-L T	Tobias really impressed both myself and Mrs. Butler this week during his Meet Teach reading session. He was focussed and engaged throughout and Mrs. Butler had a lovely time reading with him. Tobias has also been a very active member of your google classroom posting P4C style questions to spark thought and conversation. Well done Tobias!

How Do They Make Bikes?

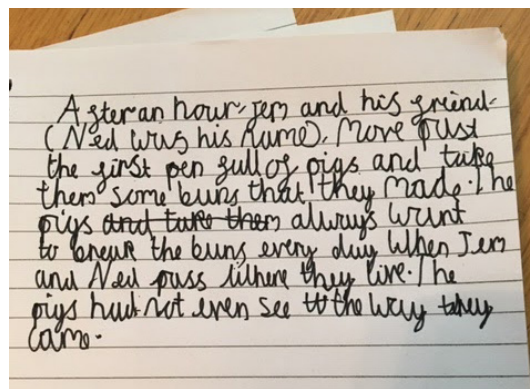

4B	Tia R	Mrs Miller chose Tia as star this week for her hard work in her key worker bubble. Tia is always a star but it is so nice to be recognised in a different environment. Well done you.
----	-------	---

Now it is time to plan our opening to the story

<p>Who is your character? Describe them.</p> <ul style="list-style-type: none"> <li>Patrick</li> <li>Green underwear</li> <li>Big head</li> <li>Lots of spots</li> </ul>	<p>Who told them about the zoo? What do they do now?</p> <ul style="list-style-type: none"> <li>Spongebob</li> <li>They now work there</li> </ul>
<p>What magic animal did they draw? Describe them.</p> <ul style="list-style-type: none"> <li>Spider</li> <li>Long legs</li> <li>Got hair</li> <li>8 eye's</li> </ul>	<p>What happens next?</p> <ul style="list-style-type: none"> <li>He does something wrong with the animals</li> </ul>

4M	Sarah B	Sarah works extremely hard in the google classroom every day and her work is always of high quality. I particularly loved her photo of her handwriting which was a task in our writing this week. Well done!

5G	Rohanpreet S	Miss Sadley was really impressed with Rohanpreet this week in their meet teach session online together. He was engaged, focussed and did a brilliant job. Well done!
<div data-bbox="483 461 1121 1081" style="border: 1px solid black; padding: 10px;"> <p>Hogwarts school of witchcraft and wizardry</p> <p>Lowlands</p> <p>Cootland</p> <p>Hivj 9hzt</p> <p>Monday 18th march 2044</p> <p>Dear mr dumbledore</p> <p>Hi,i am writing to apply for the job advertised in the local paper. <span style="background-color: green; color: black;">[REDACTED]</span></p> <p>I have many years of experience with magic[i first started as a volunteer at school] <span style="background-color: green; color: black;">[REDACTED]</span> you was to speak to past pupils i have taught where i am sure they could show what they have learnt through me. I have included names of references on a separate page[well 52 pages].</p> <p><span style="background-color: green; color: black;">[REDACTED]</span> i am a very fair person <span style="background-color: green; color: black;">[REDACTED]</span> i am differently not afraid to enforce the rules when needed and will sure the children <span style="background-color: green; color: black;">[REDACTED]</span> work to their best ability[at all times].</p> <p><span style="background-color: green; color: black;">[REDACTED]</span> if you <span style="background-color: green; color: black;">[REDACTED]</span> give me this job[it will affect my hole life]if you did i <span style="background-color: green; color: black;">[REDACTED]</span> <span style="background-color: green; color: black;">[REDACTED]</span> I look forward to hearing back from you.</p> <p>From Daniel Leagas</p> </div>		
5L	Daniel L	Daniel tried really hard this week in his writing and produced a brilliant letter to Albus Dumbledore asking him to give him a job at Hogwarts. He was professional and very persuasive!
5B	Ollie A	Ollie has really impressed everyone with his amazing work in the class-room and his wonderful manners. He is so polite and hardworking - great job, Ollie!

# STARS OF THE WEEK

Class	Name	Reason
6C	Georgia R	We are all so proud of how Georgia has settled into her new 'bubble'. She has shown tenacity and perseverance by overcoming challenges that she has been faced with. She showed great resilience when working on her maths assignment this week. Well done Georgia - what a star!

**Practise** Q1 Andy gets on the 14:13 train at Littleborough.

**you do** 1 mark

Littleborough	14:13
Birchfield	14:37
Ashtown Parkway	15:09
Ashtown Central	15:20

How long does it take to get to Birchfield?

**24** minutes

6B	Yashraj S	It is wonderful to see how Yashraj has become more engaged with his learning online. He has been consistently handing in his assignments and is beginning to engage with feedback from his teachers so that he can maximise his potential while working from home. Keep going Yashraj!
----	-----------	--

**BILLESLEY Primary School** INSPIRE our children to succeed CREATE excitement for learning ACHIEVE EXCELLENCE

**Task 2**

**Practise**

**You do: Better or worse at secondary school**

Lessons Friendships Teachers

Better Worse

**Explain your choices:**

<b>Teachers:</b>	Stricter
<b>Lessons:</b>	More choices in lessons
<b>Friendships:</b>	More friends to play with

**Drag these words on to the continuum above:**

They dont have glasses They have glasses

6S	Sarah A	Sarah has started to really engage with online classroom this week, submitting some really thoughtful transition work and an excellent fact file in Science where we have been looking at classification. Well done Sarah. Keep up this positive attitude to your learning!
----	---------	---

What do you look **forward to the most** about going to secondary school? 😊

Write three things that you are most looking forward to about going to secondary school.

1.	Meeting new teachers
2.	Doing experiments
3.	Making food when I do food technology

**BILLESLEY Primary School** INSPIRE our children to succeed CREATE excitement for learning ACHIEVE EXCELLENCE

**Task 4** Choose one group from the video to create a fact file for on this slide.

Vertebrates

What are the characteristics of this group?

- The body of the fish is covered scales and has fins to help it move through water.
- The skin is very thin and must always be kept wet because amphibians breathe through their skin.
- The body of a reptiles is covered in hard scales. Reptiles live on land, although many of them do swim they get well and they get food there are other such as lizards, crocodiles and snakes

**Amazing Fact!**  
Most fish have skeletons made of bone. they
