4S	Syed A	Hadi has impressed me each week with his hard work on Google Classroom. He tries really hard and responds to his feedback! Thank you for being such a star Hadi especially with your very last piece of reading in year 4! Full marks!

Here are some independent questions to answer:

<p>When I grow up I will be tall enough to reach the branches that I need to reach to climb the trees you get to climb when you're grown up.</p> <p>And when I grow up I will be smart enough to answer all the questions that you need to know the answers to before you're grown up.</p> <p>And when I grow up I will eat sweets every day on the way to work and I will go to bed late every night!</p> <p>And I will wake up when the sun comes up and I will watch cartoons until my eyes go square and I won't care 'cause I'll be all grown up!</p> <p>When I grow up!</p> <p>And when I grow up, when I grow up I will be strong enough to carry all the heavy things you have to haul around with you when you're a grown- up!</p> <p>And when I grow up, when I grow up I will be brave enough to fight the creatures that you have to fight beneath the bed each night to be a grown-up!</p>	<p>And when I grow up I will have treats every day. And I'll play with things that mum pretends that mums don't think are fun.</p> <p>And I will wake up when the sun comes up and I will spend all day just lying in the sun and I won't burn 'cause I'll be all grown- up!</p> <p>When I grow up!</p> <p>When I grow up, I will be brave enough to fight the creatures that you have to fight beneath the bed each night to be a grown-up.</p> <p>Just because you find that life's not fair, it doesn't mean that you just have to grin and bear it. If you always take it on the chin and wear it nothing will change!</p> <p>Just because I find myself in this story, it doesn't mean that everything is written for me. If I think the ending is fixed already, I might as well be saying I think that it's OK! And that's not right! And if it's not right! I've got to put it right!</p>
---	---

Can you find a **synonym** for pull or drag:

haul ✔

Find and copy a group of words that means the same as in the morning

When the sun comes up ✔

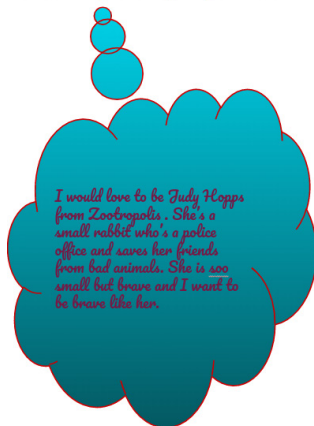

Just because you find that life's not fair, it doesn't mean that you just have to grin and bear it. If you always take it on the chin and wear it nothing will change!

What do you think that this verse means?

It means never give up ✔

Write your own verse for the song. Think about the things that you want to do when you are older!

When I am old enough,
I will eat sweets everyday,
And I will climb the trees,
But you need to be grown up, ✔

When I grow up,
I will be smart enough to answer all the questions,
I will eat sweets everyday,
I will fight the creatures under my bed,
Only when I am grown up.
