STARS OF THE WEEK

Class	Name	Reason	Reader of the week
R1	Charlie M-B	Charlie has really been working hard this week. He has been very focused in English and has written labels using his phonic knowledge. Keep it up Charlie.	Elijah R
R2	Salomea B	For always trying her hardest. She has made huge progress with her phonics and writing. Well done, keep up the brilliant work.	Tyler G
R3	Daniyal Z	For fantastic work understanding the properties of shapes during Numeracy.	Mehreen R
1A	Mikaaiyl F	I have chosen Mikaaiyl this week for many different reasons. He shows enthusiasm towards every aspect of his learning and he is a kind and caring boy, who looks after all the class members in 1A. We would be lost without him!	Jessica R
1Q	Charlie M	I am so proud of how sensible and grown up Charlie has become over the past few weeks. He is helpful and caring but what has impressed me the MOST is his dedication to his work. He continues working through his playtime to improve his work and make it even better. EVEN if I am trying to shoo him out of the classroom! I am so proud of you. Keep working hard, Charlie!	Tia R
1S	Fayeza J	Fayeza you are the brightest star in the sky! You always listen on the carpet and make intelligent contributions in class. When you go back to your table you produce beautiful work, and then to top it all off, you are the most helpful and caring young lady I know! Thank you for being amazing and brightening up each day.	Rafia A N
2C	Muhammad K	Khobaib has made unbelievable progress in his writing this term. He has listened to the feedback we have given him and acted on it. I asked for a question and he gave me two! I asked for more adjectives and he packed his writing full of them. I taught him how to use paragraphs now he is showing others how to use them! Keep working hard Khobaib we are really, really impressed.	Alisha B
2G	Brandon Y	Brandon is a total super star! Over the last few weeks he has been really engaged in maths and phonics. He is also working really hard at improving his reading. I love having Brandon in the class because he is always enthusiastic and helpful. Well done Brandon!	Mehreen Y
2T	Harry P	"Harry is an all round star. He is a good role model for the other children in our class. Harry is a keen learner and always wants to improve! Well done Harry!	Logan W

3L	Ahmed Y	Ahmed is starting to work hard and as a result is beginning to make progress. I have been very impressed with the good choices he has made lately and he has a real thirst for learning. Keep your eye on him because he is going to be a very successful student!!	Hassam B
3R	Umamah S	Umamah always displays a positive "can do" attitude in everything she attempts. She is always ready and willing to learn and is an excellent role model for our class.	Zaidan Z
4C	Mohammed J S	Simply for making us smile. This week Detective Inspector Sarwar's enthusiasm for learning and producing conspiracy theories for the 'Billesley Burglary' in English have been infectious. Keep it up Mo-jay and continue to inspire us with your creative ideas.	Yining Z
4G	Lujanna A	Lujanna always puts 100% effort into everything she does. Lately, she has impressed me with her super Maths skills and this week has worked hard on converting units of measurement. Keep up the brilliant work!	Kunthavi S D
4M	Ayesha M S	Ayesha is a fantastic addition to 4M. She is polite, consistently demonstrates outstanding behaviour and works very hard. She produces work of a very high standard, especially writing. Well done and keep up the hard work Ayesha.	Faran M
5B	Shaza J	Shaza is an author in the making. Her writing has been going from strength to strength this term and I genuinely look forward to marking her book every day. She shows off all of her skills in her writing - whether they are on the success criteria or not - and has produced some exceptional work. Well done Shaza - you are amazing!	Ismail M
5L	Mudassar Z	Mudassar's attitude to his learning has much improved over the last few weeks and he now gives every lesson 110%. Both around school, and within the classroom, Mudassar is keen to help everyone, and he always has a delightful smile when doing so. A real shining star.	Romelle D

6K	Emanuel U	Emanuel has really impressed me this week! He has shown maturity, a real desire to do well and a new hair style! This attitude has had an incredible impact on Emanuel's work, particularly in Maths and English. Well done Emanuel.	Hawra T
6W	Nashe M	For pushing herself in her maths lessons recently! Miss Kearns is incredibly impressed with her perseverance. Additionally, her enquiry skills in topic this week have been very thought provoking.	Aliyah W
