# STARS OF THE WEEK

Class	Name	Reason	Mathematician of the week
R1	<b>Bahadur S</b>	Bahadur is an absolute pleasure to be around. He is warm and welcoming, with an amazing attitude towards his learning. He constantly strives to deliver work of a high standard and always challenges himself. Keep up the great work!	<b>Mahfood M</b>
R2	<b>Zeina E</b>	Zeina is working hard in Phonics and is impressing me more and more each day. She recognises her sounds and is now beginning to segment and blend CVC words. Well done Zeina.	<b>Lawrence R</b>
R3	<b>Francesca C</b>	Francesca has made fantastic progress in Literacy and Phonics this term and is doing really well with her writing. Francesca is also growing in confidence and making excellent relationships with her peers. Well done Fran!	<b>Romanie-Skye S</b>
1A	<b>Masoud A</b>	Masoud has impressed me this week with how hard he has worked! In English, he has been writing sentences and including capital letters, full stops and adjectives! In Maths, he has been counting on in ones using a number square; showing how independent he can be. Well done Masoud. We are very proud of you.	<b>Sjahin B</b>
1Q	<b>Sophia G-P</b>	Sophia comes to school with the brightest smile on her face ready to learn and work hard. She tries so hard in all of her lessons and is making an extra effort with her handwriting. She is kind, sensible and had fantastic ideas for her 500 word story! Sophia, you are amazing!	<b>Paramveer S</b>
1S	<b>Zubayda S</b>	Zubayda is a lovely, polite member of 1S, who always tries her hardest in everything she does. She is popular with her fellow pupils and helps in the classroom to keep it a calm, tidy environment. I would be lost without her!	<b>Anush S</b>
2C	<b>Dinendra J</b>	Imagine a pupil who tries his best in every lesson. Imagine a pupil who is loved by both the teachers and students. Imagine a pupil who is already making great progress. Well you are imagining Pramuditha, 'The Legend', as we like to call him. We are so pleased you chose to come to Billesley Primary School and hope you keep up the hard work.	<b>Ameera M</b>
2G	<b>Shakeel H</b>	This week Shakeel has been a super star! He has worked so hard in English to write a really amazing story about going into space. Keep up the fantastic work Shakeel!	<b>Aniah S</b>
2T	<b>Taseen C</b>	Taseen works hard to make sure his handwriting is cursive and neat to read. He has also put a lot of effort into writing his story this week. Well done Taseen.	<b>Robert B</b>
3B	<b>Millie B</b>	Millie is a star every day of every week. She is helpful, caring and has me laughing all day long. She will make a great teacher in the future! Keep up the amazing writing and maths. I know you will!	<b>Seema B</b>
3L	<b>Abbas A</b>	Abbas has recently joined our school and we are very lucky to have him. He is brilliant! He works very hard, asks excellent questions and is very, very polite. I am delighted to have in my class.	<b>Spencer H</b>
3R	<b>Neva S</b>	Neva is a pleasure to teach and is someone you can rely on to be a role model. She is also someone who attentively listens to advice and more importantly, acts on it in order to improve her work. For this reason, she will do great things in school and in life. Well done.	<b>Dylan T</b>
4C	<b>Ameera C</b>	Ameera could be my star every single week! Not only is she hard working and a perfect representative of Billesley, Ameera is kind and considerate and does everything she can to help others - including myself. What a credit to 4C! I don't know what we would do without her.	<b>Aafia M</b>
4G	<b>Mohammed A R</b>	Mohammed's attitude to learning has improved so much since September. He tries hard all of the time and has really impressed me in our maths lessons. He often has his hand up to answer questions, and perseveres if he doesn't get the answer right the first time. He takes time with his work to make sure he does the best work he can. Keep it up!	<b>Alfie T</b>
4M	<b>Ibrahim H</b>	Ibrahim has started this term exceptionally well. He is beginning to organise himself so that he is ready to learn and ready to work hard. He is very good at remembering facts and very good at reminding me to do things! Keep working hard Ibrahim.	<b>Libby F</b>
5B	<b>Samana M</b>	Samana has really impressed me this week with her focus and dedication to her writing. She has used all of the skills she has been asked to in her story - and included more! Her talent for description is showing itself with some spectacular personification! Her handwriting is also significantly better than mine! I am so proud of you Samana - keep up the amazing work.	<b>Alyas Q</b>
5L	<b>Asma M</b>	Asma has shown great focus in lessons and really improved her listening skills. We were particularly impressed with the EXTRA homework that Asma produced this week linked to our space topic. Well done Asma- keep up the hard work!	<b>Mckenzie S</b>
5ZB	<b>Jaiden J</b>	Jaiden has become part of Billesley's Young Researcher team and represented the school wonderfully during the launch at the UCB on Tuesday morning. 6K	<b>Maraam A</b>	Maraam is currently setting the standard during this busy time in year 6. Not only is she the first to answer questions and make excellent progress in her own learning, she is also offering support to her peers at every opportunity. She epitomises team spirit and her motivation is contagious! Well done Maraam!	<b>Priscilla S</b>
6W	<b>Mya D</b>	Mya has really upped her game in Maths recently, making sure that she is taking on board everything that Miss Kearns tells her. She has also been working hard on up-levelling her vocabulary in her writing and keeping an eye out for silly spelling mistakes! Well done.	<b>Mohammed Y R</b>
RB	<b>Fabian W</b>	Fabian has had a brilliant week. He has really worked hard at being a positive member of the Base. He has applied himself to his learning, even when he has felt a little under the weather, producing some excellent Maths and English work. He has also tried really hard to be kind and forgiving, making new friendships and maintaining his old ones. Great work Fabian.	<b>Noah C</b>
