# STARS OF THE WEEK

Class	Name	Reason	Mathematician of the Week
R1	Tilley A	Tilley has really been pushing her learning this week, she has focused her attention on improving her cursive script and was able to write an amazing opening to her own story. Keep up the good work!!	Lola M B
R2	Aidan H	Aidan has been writing a fantastic story based on Jack and the Beanstalk. He has been very imaginative, altering his characters and setting. Aidan is also applying his phonic knowledge when writing his sentences. Keep it up!	Mohammed H
R3	Halimah B	Halimah has made excellent progress with her phonics. This in turn has led to a wonderful improvement in her reading - it is a pleasure to listen to her! You should be very proud of yourself and your achievements Halimah! Thank you so much for the support and encouragement that Halimah has at home. This has undoubtedly helped with her success.	Destiny S
1A	Elif U	Elif is a bright and wonderful member of 1A. She is always so helpful and kind towards others and has a very caring nature. She works hard in everything she does and shows maturity in every aspect of her learning. Thank you for being such a continuous star!	Lillian O
1Q	Anum R	Anum has worked so hard over the past few weeks to grow in confidence in lessons. She is now so much more confident in maths lessons and always tries her best. Even when she finds the work challenging! She has such a great attitude to her school work. Keep working hard, Anum.	Paramveer S
1S	Charanjot G	Charanjot is a pleasure to have in 1S. She always shares her ideas and tries the best on the carpet in all lessons. I have loved seeing the journey Charanjot has been on this year. She is now confident and is able to work independently. Not only this, but Charanjot always has a huge smile on her face and makes everyday in 1S a great one! Thank you Charanjot!	Jessica R
2C	Inayah S	I have been so impressed with Inayah over the last two weeks. She has come to school everyday with a smile on her face and she has been working hard in all subjects. She has even become a great helper and is always wanting to do jobs for me (which I love, because it means I have more time to mark.) I am especially impressed with how she is playing with others at playtime. She is showing that she is ready to move into key stage 2.	Saaliha Q
2G	Dylan H	Dylan has worked incredibly hard all year to improve his reading and writing. He has really impressed his teachers in the past couple of weeks. Dylan is growing in confidence and is contributing his ideas more in front of the whole class across all subjects. Well done Dylan!	Rahmath H M
2T	Isabella L P	Isabella is a quiet but very thoughtful member of 2T. She has been working incredibly well to join in whole class discussions and has started to share her ideas more confidently. Isabella also impressed with her artwork based on our beach trip to Brean where she made sure she took her time and considered which colours to use. Well done Isabella.	Adam M
3B	Spencer H	Spencer is a star. He is so bright, he has a great sense of humour and is a good friend. Learning comes easy to Spencer and he takes everything in his stride. He is achieving greater depth across the board, which makes me really proud. Not only this, but Spencer is a keen sportsman. He managed to do over 100 passes with his partner consecutively without dropping the ball in PE!! Amazing!!	Samir H
3L	Muhammad S	Sudais is really trying hard in every lesson. He is a real super star, who is always pleasant, happy and a joy to have in class. Well done!	Rubi B
3R	Salaah I	Despite the heat, Salaah has been the coolest pupil in 3R this week! He has given nothing short of 100% in all lessons and has made me a very happy and proud teacher. Salaah has worked incredibly hard in reading and writing this week, he has strived to apply what he has learnt in his lessons and has contributed some amazing ideas in class. He is going from strength to strength- a truly deserved award. Well done Salaah!	Safiya A N
4C	Aafia M	Aafia is my star of the week this week for her resilient attitude towards learning. When faced with new challenging learning, Aafia does not give up! Particularly in maths she listens well and works hard to apply her learning to complete tasks.	Libby F
4G	Amaar B A	Amaar's attitude to work in Maths this week has been amazing. He has tried extra hard to pay attention at all times and get involved in class discussions. It has been lovely to see Amaar volunteer his ideas more often and watch his confidence begin to grow. Keep it up Amaar.	Roanne A-H
4M	Faran M	Faran works very hard and is pleasure to teach. He is always polite and helpful. He is trying very hard to learn his spellings and is a fantastic skipper!	Armaan A
5B	Ismail M	Ismail has been displaying an impressively mature attitude in all aspects of school life this term. I have been particularly proud of the way that he has been working with other children - as a peer tutor and in lessons - to help them to improve their understanding. He clearly loves to learn and is constantly impressing his teachers with his incredible, thoughtful writing. I am so impressed with all your hard work and dedication Ismail - keep being amazing!	Iman S
5L	Isabelle H	Isabelle is our star for this week! She works incredibly hard in all subjects! She is also a very sensible and responsible girl who is excellent at doing jobs around school. Thank you Isabelle.	Maxx C
5ZB	Brandon K	Brandon is an absolute pleasure to have in class because he is always courteous. He sets a brilliant example in class by being fully engaged in every lesson and contributing to our discussions, often with an angle that others haven't yet thought of. When Brandon contributes, I know that he will have thought carefully about what he is saying and have relevant examples to back up his point - whether this be in English, RE, P4C or Science.	Amarpal S
6K	Alfredo P	Alfredo has been an absolute star this week. He has been an amazing friend, a great actor, and a very astute business man. He has used a variety of mathematical skills and teamwork to make his business a success. Well done Alfredo.	Millicent B
6W	Chloe T	For showing a great enthusiasm for our enterprise week and project work! Chloe is working hard on being independent in her writing and worked well with her group when coming up with their business for enterprise week. Additionally, she has also pushed herself to speak clearly and sing louder in rehearsals.	Abdullah R A
RB	Sarah A	There are so many great things we could say about Sarah and this week she has been the definition of 'star'. She has worked incredibly hard in her lessons, she has been an amazing friend to others and she has pushed herself to overcome her fears of rock climbing! We are incredibly proud of you Sarah - awesome work!	Oscar K
